

LEEDS - GRENVILLE FEDERAL LIBERAL CANDIDATE

FOR IMMEDIATE RELEASE January 21, 2010

THE CANDIDATE WHO WILL NOT BE PROROGUED:

Marjory Loveys sponsors Citizens' Forums

On February 1, 2 and 3, Marjory Loveys will be holding public meetings across Leeds Grenville to give citizens the opportunity to express their priorities for the federal government.

Marjory Loveys, the federal Liberal candidate for Leeds-Grenville, has over 10 years' experience working to get things done in government. She will carry the views of Leeds-Grenville citizens to Ottawa and will incorporate them into the policies now being formulated by Liberals across the country.

"Even though Parliament has been shut down there are still important issues that need to be discussed – such as how to replace lost jobs, how to tackle environmental problems, Canada's role internationally, family policies, pensions, and reducing the deficit" stated Ms. Loveys.

Each of the three Citizens' Forums will be run by a professional facilitator, participation is free of charge, and all members of the public are welcome. People may choose to attend whichever event suits their schedule, regardless of where they live in the riding.

Monday, February 1, 7-9 pm: Fox Run Residence,
104 Thousand Islands Parkway
GANANOQUE (*location is just east of town*)

Tuesday, February 2, 7-9 pm: Brockville Firehall (*training room*)
360 Laurier Boulevard
BROCKVILLE

Wednesday, February 3, 7-9 pm: Jonsson's Independent Grocery Store (*meeting room*)
Kemptville Mall, Highway #43 West

"I want to provide a way for more people to offer their advice to our national government because I believe that a country that debates its' future succeeds in the future" said Ms. Loveys. "That is why we Liberals are still working."

These forums are part of a nation-wide effort by Liberals to focus on issues that matter to Canadians. Policy panels and roundtables are being held across Canada and further information about them can be obtained from: www.liberal.ca and www.can150.ca .
